**STATEK RECEIVES 4-STAR EXCELLENCE AWARD FROM RAYTHEON**

ORANGE, Ca., June 1, 2015 – Statek Corporation, a leader in the design and manufacture of highly reliable frequency control products, announces that it has been presented the 4-Star Supplier Excellence Award for 2014 by Raytheon’s Integrated Defense Systems (IDS) business.

Raytheon’s IDS business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding the requirements. Award candidates were judged on overall quality, on-time delivery and demonstrated commitment to continuous improvement. This is Statek’s fifth consecutive year receiving an award.

Statek is a leader in the design, development and manufacture of highly reliable, ultra-miniature, quartz-based frequency control products for the Medical Electronics, Aerospace & Defense and Industrial markets.
